The screenshot shows a rich text editor interface. At the top, there are dropdown menus for font (Trebuchet), size (1 (8 pt)), and language (Lang). To the right of these are icons for bold (B), italic (I), underline (U), strikethrough (ABC), subscript (x₂), and superscript (x²), along with undo and redo icons. Below this is a secondary toolbar with icons for bulleted list, numbered list, indent, outdent, link, unlink, insert image, insert table, insert smiley, insert link, print, and source code. Underneath the toolbars is a text area with the label "Path:" and a large empty space for text entry. At the bottom of the text area are left and right scroll arrows and a keyboard icon with a question mark.
