

# Starting with e-Learning

## Project Evaluation Case Study

**Bromley** OF FURTHER & HIGHER EDUCATION COLLEGE

**Project:**

**Your Name:**

**Department:**

**Your Role in Project:**

## Project Evaluation

**What were the primary objectives of the E-Learning project?**

**Project resources and implementation**

**What is your overall assessment of the success of the E-Learning product in meeting those objectives?**

**What curriculum changes are likely to be required in the future?**

## Project Delivery

**Describe how the project was integrated into your mainstream teaching**

## Risk and Change Management

What unexpected problems, if any, came up to threaten the project and the successful delivery of the project? Are any of these likely to come up again in similar E-Learning projects in the future?

## Future Recommendations

What new tools were introduced or developed for this project that can be useful in subsequent projects?

## Further Comments and Suggestions
